Performance and Future Prospects:

Hi-Klass Trading and Investment Ltd, the Company is Registered NBFC with the Reserve Bank of India, and has obtained listing of equity shares on BSE ("BSE Ltd") w.e.f. 31.01.2019, since the Ahmedabad Stock Exchange and Pune Stock Exchange have become a derecognised Stock Exchange's in India.

The banking sector in India is witnessing vital fundamental reforms in which Non-Banking Financial Companies ("NBFC"/ "NBFCs") have been playing a very important role from the macroeconomic perspective. NBFCs have shown considerable growth in the last couple of years and as an impact they have created their own position in the banking sector promising a rising future in the years to come.

NBFCs have steadily expanded their share of total credit in the country. They have developed innovative and customised financial products and solutions that are delivered efficiently to fulfil customer aspirations.

The implementation of various government initiatives to improve financial inclusion will further support the growth of NBFCs. With private consumption growing at a robust pace and a visible upswing in investments, NBFCs are well positioned to maintain their growth trajectory.

ANNUAL REPORT 2018-19

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Industry Structure and Development:-

Non-banking finance companies (NBFCs) have scripted a great success story. Their contribution to the economy has grown in leaps and bounds from 8.4% in 2006 to above 14% in March, 2015.

In terms of financial assets, NBFCs have recorded a healthy growth—a compound annual growth rate (CAGR) of 19% over the past few years—comprising 13% of the total credit and expected to reach nearly 18% by 2018–19.

With the on-going stress in the public sector banks due to mounting bad debt, their appetite to lend (especially in rural areas) is only going to deteriorate. The success of NBFCs can be clearly attributed to their better product lines, lower cost, wider and effective reach, strong risk management capabilities to check and control bad debts, and better understanding of their customer segments. Not only have they shown success in their traditional bastions (passenger and commercial vehicle finance) but they have also managed to build substantial assets under management (AUM) in the personal loan and housing finance sector which have been the bread and butter of retail banks. Going forward, the latent credit demand of an emerging India will allow NBFCs to fill the gap, especially where traditional banks have been wary to serve. Additionally, improving macroeconomic conditions, higher credit penetration, increased consumption and disruptive digital trends will allow NBFC's credit to grow at a healthy rate of 7–10% (real growth rate), over the next five years. Clearly, NBFCs are here to stay.

Capital Market:-

Indian investors get a handsome 17-18.5% return from stocks during the financial year ending March 2017, as the Narendra Modi government aggressively pursued crucial reforms such as the Goods and Services Tax and after an emphatic win in the Uttar Pradesh election.

The 30-share benchmark Sensex ended the financial year up 16.9% while the broader Nifty was up 18.5% as the reforms push bolstered investors faith in the growth story of Asia's third largest economy.

Investors are betting on a further rise in the share prices in the coming days as GST is rolled out, Indian companies post better profits and as the economic growth picks up.

"In terms of market strategy, 44% of investors think stock picking remains the best strategy and another 35% think this is a bull market and they are buyers of equities," it said, adding 2/3 of investors surveyed expect India to outperform other major emerging markets.

HI-KLASS TRADING AND INVESTMENT LIMITED ANNUAL REPORT 2018-19

Indian stocks have especially surged in the past three months with the Sensex rising 11% from the end of December. The UP election results showing BJP's overwhelming win in the country's biggest state and a positive signal to Modi's second term at the Centre compounded investor confidence.

"Indian financial markets have had a great ride in first quarter of calendar year 2017. This follows exceptionally high volatility and the related hit caused by the unexpected demonetisation announced in early November and the strong dollar rally," CLSA said in a note.

Global developments especially in the United States and a general improvement in economic outlook also aided the bull run.

The US benchmarks Dow Jones Industrial Average is up 17% while Nasdaq is up 21% in the last 12 months. UK's FTSE-100 is up 19% despite the Brexit worries.

In Asia, the Japan's Nikkei is up 13.5% on extension of Bank of Japan's monetary stimulus and a pickup in growth but Shanghai stock index was up just 7% as the economy continues to slow.

Outlook, Risk and Concern:-

India will remain the fastest-growing major economy in the world.

That's the Narendra Modi government's outlook for Asia's third-largest economy, despite the shock of demonetisation and a range of uncertainties, both at home and abroad.

India's real GDP growth will remain between 6.75% and 7.5% in the 2017-2018 financial year, the government said in its Economic Survey, an annual document that deciphers the state of the economy.

"Even under this forecast, India would remain the fastest growing major economy in the world," the survey said, although the International Monetary Fund earlier this year estimated that China was growing faster than India.

In the current financial year, real GDP is projected to grow at about 7%, the survey added, significantly lower than the 7.6% growth the economy registered in 2015-2016.

"Macroeconomic stability is easy to overlook and become complacent about," he added.

The coming financial year won't be particularly easy either. The economy will continue to deal with the effects of demonetisation while also contending with a range of global uncertainties. The biggest international risks to the Indian economy, that Subramanian listed out include rising oil prices, trade-related tensions between major economies, and growing protectionism.

INDEPENDENT AUDITOR'S REPORT

To The Members Of M/s Hi-Klass Trading And Investment Limited Report on the Audit of the Financial Statements Opinion

We have audited the accompanying Ind AS Financial Statements of M/s Hi-Klass Trading And Investment Limited (hereinafter referred to as “ the Company”) which comprise the Balance Sheet as at March 31, 2019, and statement of Profit and Loss, (statement of changes in equity) and the cash flows Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies (hereinafter referred to as “the financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their state of affairs of the Company as at March 31, 2019, of profit/loss, (changes in equity) and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the company's annual report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. We conclude that there is a no material misstatement of this other information and therefore, we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's management and Board of Directors is responsible for the preparation and presentation of these financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors/management of the companies included in the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the financial statements by the Management/Directors of the Company, as aforesaid.

In preparing the financial statements, the respective Board of Directors of the companies included in the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors/management of the companies included in the Company are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the financial statements.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Annexure – B to the Independent Auditors' Report ***Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")***

In conjunction with our audit of the financial statements of the Company as of and for the year ended 31st March 2019, we have audited the internal financial controls over financial reporting of Hi-Klass Trading And Investment Ltd ("the Company"), comprising the Balance Sheet as at 31 March 2019.

Management's Responsibility for Internal Financial Controls

The respective Management and Board of Directors of the Company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.
